

Karori Community Centre - Alert Level Two – Requirements for Opening

Karori Community Centre is currently planning to open when the country moves to Alert Level 2. Our instructions from Wellington City Council may change this decision. The date for decision is Monday 11 May, and a date to move to Level 2 will be announced after this.

This document has been developed using the resources from the Ministry of Health covid19.govt.nz (there is a link at the bottom of this document)

In summary, there are three important aspects for Centre Users and their group members for Karori Community Centre to be used in a safe way at Level 2:

People present at Karori Community Centre

1. On arrival, they wash and dry their hands
2. Record their details on a contact tracing log
3. Maintain physical distancing – people MUST keep 1 metre apart

Please check with the Karori Community Centre staff that your room is appropriate for the size and activity of your group. If you need a larger room, we will endeavour to accommodate you.

The detail is available on the following pages. This table lists all of the actions required by:

1. Karori Community Centre (highlighted in pink)
2. Centre Users (highlighted in yellow)
3. the Group Members (highlighted in turquoise)

After you have studied this information, if you have any questions, please contact Kay Webster manager@karoricommunitycentre.org.nz or 021 2685355

	Whose responsibility		
	Karori Community Centre	Centre Users	Group Member
General Public Health Advice			
Regularly disinfect surface	As well as regular cleaning, frequently touched surfaces will be cleaned twice daily	There will be a bucket of cleaning products in Room 1, Room 3 and Youth Room. You are invited to use them to clean frequently touched surfaces before your event	
Wash and Dry Hands		Centre User	Group Member
Cough into Elbow Don't Touch Your Face			Group Member
