

Guest Speaker: Sharon Zollner, Chief Economist, ANZ Bank
Topic: Post Election Economic Outlook

At our first post election business breakfast we are delighted to welcome ANZ Chief Economist, Sharon Zollner.

Sharon joined the economics team at the ANZ in 2010 and became Chief Economist succeeding Cameron Bagrie in late 2017. She started her career as a macroeconomist at the Reserve Bank in 1998 and she has also worked at the Central Bank of Norway.

Sharon commented extensively on the economy in the run up to the General Elections and will certainly be in continuing demand as a speaker and media commentator as the new Government gets on top of its economic issues ahead.
